

White Rose Maths

At St Thomas C of E, we teach children mathematics using White Rose Mathematics. Here is the yearly overview for Reception.

	Week 1	Week 2	Week 3	Week 4	Week 5	Week 6	Week 7	Week 8	Week 9	Week 10	Week 11	Week 12
Autumn	Getting to know you		Match, sort and compare FREE TRIAL VIEW	Free trial	Talk about measure and patterns VIEW		It's me 1, 2, 3 VIEW		Circles and triangles VIEW	1, 2, 3, 4, 5 VIEW		Shapes with 4 sides VIEW
Spring	Alive in 5 VIEW		Mass and capacity VIEW	Growing 6, 7, 8 VIEW	Length, height and time VIEW		Building 9 and 10 VIEW			Explore 3-D shapes VIEW		
Summer	To 20 and beyond VIEW		How many now? VIEW	Manipulate, compose and decompose VIEW	Sharing and grouping VIEW		Visualise, build and map VIEW			Make connections VIEW		Consolidation

By the end of Reception children will be assessed against the Early Learning Goals. Here are the Early Learning Goals for mathematics:

Maths	Number	- Have a deep understanding of number to 10, including the composition of each number. - Subitise (recognise quantities without counting) up to 5. - Automatically recall (without reference to rhymes, counting or other aids) number bonds up to 5 (including subtraction facts) and some number bonds to 10, including double facts.
	Numerical Patterns	- Verbally count beyond 20, recognising the pattern of the counting system. - Compare quantities up to 10 in different contexts, recognising when one quantity is greater than, less than or the same as the other quantity. - Explore and represent patterns within numbers up to 10, including evens and odds, double facts and how quantities can be distributed equally.
